

Domestic Violence Grant

Mission:

The Domestic Violence Grant strengthens prosecution strategies, thereby increasing the number of persons prosecuted for crimes against women, and increasing the number of victims receiving services.

Goals:

- To prosecute all cases of domestic violence, sexual assault, and stalking involving 150 women during the grant period.
- To coordinate cooperative efforts among law enforcement, prosecutor, victim assistance programs and victim advocacy groups to better meet the needs of women as victims.
- To maintain case records to include statistics on victims to validate impact of an additional prosecutor on the Court system and on the women being served.

Implementation Strategies for FY2003:

- To analyze data at the end of each quarter to determine impact of V-STOP prosecutor and to determine trends in the caseload.
- Victim Assistance Program will assist prosecutor with victims of domestic violence, sexual assault, and stalking.

Budget Issues:

- In FY1999, the grant included funding for a part-time (20 hours a week) Secretary position to provide support for the Assistant Commonwealth's Attorney.
- For FY2003, grant funding decreased resulting in a reduction of hours for the part-time secretary position.
